If you still believe in Covid,
If you're bloods full of vaccine and you're soul isn't full of regret.
Then you're worse than a moron.
You're a unique blend of fearful, stupid and evil.
ANYONE I see in a mask for round 2 of this game is excommunicated for life.

To poison straight peoples children into supporting their world view for a new generation of LGBT.

They can not create their own children via hetrosexual reproduction, so must hijack hosts.

Like alien.

They made Splinter GAY in new Teenage Mutant Ninja Turtle's.

Why?

Readers added context

The tweet is false and misleading. There is no evidence that Splinter from Teenage Mutant Ninja Turtles: Mutant Mayhem is gay.

Satanists believe stating intention voids karmic retribution.

Your compliance is considered an acceptance and collaboration.

They're not allowed to lie or hide.

They STATE the evil.

If you ACCEPT the evil - they will not be punished.

This is not an accident.

She's on the front line right now and not an actor psyop convincing men there will be cuties at war instead of death.

She certainly didn't go home to the warm directly after this.

Guess all those videos of men dying in freezing mud are fake.

You dont get married for instagram.

You dont get married to spend money.

You dont get married to annoy your ex.

You dont get married for fun, or freedom.

You get married to BELONG to and DEDICATE yourself to your man.

Are you really ready?
